

Ron Pope - One Grain Of Sand

Tom: **Eb**

(com acordes na forma de C)
 Capotraste na 3ª casa
 I don't want hold you if you want to go,
 I'm not going to make you feel love if you don't
 I would rather learn what it feels like to burn
 than feel nothing at all

Verso:

Oh I used to treat you sweetly
 I would pull you to my chest
 as you cried about the ocean
 slipping quickly through your hands
 you were searching for one grain of sand
 along an endless beach
 as I was building you castle
 that you just refused to see

what do I say, What do I do
 to show you all the ways
 my heart is slowly shattering for you
 what do I say, what do I do

Refrão:

I don't want hold you if you want to go,
 I'm not going to make you feel love if you don't
 I would rather learn what it feels like to burn
 than feel nothing at all

Verso:

You have faded my reality
 like leaves that turn to dust
 fell asleep inside a fantasy
 then woke up feeling lost
 now I'm terrified and restless
 but I just cannot escape
 I wish you had words
 to cool this fever that is killing me
 what do I say, What do I do
 to show you all the ways
 my heart is slowly shattering for you
 what do I say, what do I do

Refrão 2x:

I don't want hold you if you want to go,
 I'm not going to make you feel love if you don't
 I would rather learn what it feels like to burn
 than feel nothing at all

ohhhh oh oh oh (x4)

Refrão 3x:

I don't want hold you if you want to go,
 I'm not going to make you feel love if you don't
 I would rather learn what it feels like to burn
 than feel nothing at all
