

Ron Pope - One Grain Of Sand

Tom: Eb

(com acordes na forma de C)
Capostrate na 3ª casa

I don't want hold you if you want to go,
I'm not going to make you feel love if you don't
I would rather learn what it feels like to burn
than feel nothing at all

Verso:

Oh I used to treat you sweetly
I would pull you to my chest
as you cried about the ocean
slipping quickly through your hands
you were searching for one grain of sand
along an endless beach
as I was building you castle
that you just refused to see

what do I say, What do I do
to show you all the ways
my heart is slowly shattering for you
what do I say, what do I do

Refrão:

I don't want hold you if you want to go,
I'm not going to make you feel love if you don't
I would rather learn what it feels like to burn
than feel nothing at all

Verso:

You have faded my reality
like leaves that turn to dust
fell asleep inside a fantasy
then woke up feeling lost
now I'm terrified and restless
but I just cannot escape
I wish you had words
to cool this fever that is killing me
what do I say, What do I do
to show you all the ways
my heart is slowly shattering for you
what do I say, what do I do

Refrão 2x:

I don't want hold you if you want to go,
I'm not going to make you feel love if you don't
I would rather learn what it feels like to burn
than feel nothing at all

ohhhh oh oh oh (x4)

Refrão 3x:

I don't want hold you if you want to go,
I'm not going to make you feel love if you don't
I would rather learn what it feels like to burn
than feel nothing at all
