

Ron Pope - Save Me

Tom: G

Just like ^Gtwo freight trains in a ^{Am}late night storm
 Through a ^{Em}blinding rain
 In the ^Cfreezing cold
 On the ^Glong way home
 We're ^{Am}screaming through the ^Cdark
 We are ^Gcigarettes and ^{Am}gasoline
 I ^{Em}caught on fire when you ^Ccame to me
 Like a ^Gdeep red wine casts ^{Am}darkness on my ^Cdreams

^{Am}You're the first thing on my ^Dmind
^{Am}You're the first thing on my ^Dmind

Won't you ^Gsave me from ^{Am}myself
 Won't you ^Gsave me from ^{Am}myself
 Oh please ^Gopen up your ^Ceyes
 Help me ^{Am}clear my ^Dclouded mind.
 Won't you ^{Am}tell me that we're ^Cgonna be ^Dalright
 Please ^Gsave me tonight

^GThere's photographs from far away of some ^{Am}people I thought I'd ^{Em}escaped
 But if you can't go home
 Well where can you go

^GSometimes memories like ^{Am}cheap perfume can ^{Em}shake your head
 And change your view so I choose to forget and sit right here
 with you

^{Am}

You're the first thing on my mind
 You're the first thing on my mind
 Won't you ^Gsave me from ^{Am}myself ^{Em}
 Won't you ^Gsave me from ^{Am}myself ^{Em}
 Oh please ^Gopen up your ^Ceyes
 Help me ^{Am}clear my ^Dclouded mind.
 Won't you ^{Am}tell me that we're ^Cgonna be ^Dalright
 Please ^Gsave me tonight ^{Am} ^{Em}
 Please ^Gsave me tonight ^{Am} ^{Em}

^{Am}Our time may run out so let's count on now
 You can just keep those headlights on
 The daylight will fade but don't turn away

^GJust like two freight trains in a ^{Am}late night storm
 Through a ^{Em}blinding rain
 In the ^Cfreezing cold
 On the ^Glong way home
 We're ^{Am}screaming through the ^Ddark

^GWon't you ^{Am}save me from ^{Em}myself
 Won't you ^Gsave me from ^{Am}myself ^{Em}

Oh please ^Gopen up your ^Ceyes
 Help me ^{Am}clear my ^Dclouded mind.
 Won't you ^{Am}tell me that we're ^Cgonna be ^Dalright
 Please ^Gsave me tonight ^{Am} ^{Em}
 Please ^Gsave me tonight ^{Am} ^{Em}
 Please ^Gsave me tonight ^{Am} ^{Em}
