

Ronaldo Bezerra - Doce Paz

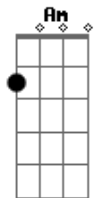

Tom: E

Hoje tenho paz
 Suave luz do amanhecer
 Presença que tira o temor
 Que sacia todo o meu ser
 Posso descansar
 Nesta paz que habita em mim
 O mundo não pode me dar

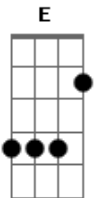

A doce paz de Deus

Doce paz
 Não posso compreender
 Doce paz
 Invade meu coração
 Doce paz
 Transborda todo meu ser
 Preciosa, abundante presença de Deus em mim
 Doce, doce paz, doce, doce paz!
