

Ronaldo Estevam - Adeus

Tom: D
Intro: D G D A A7

D G D
Se você voltasse a me ver
E escutasse que aprendi a aceitar
O que eu tanto escondia,
D G D
Se a novidade fosse um bem
Pra um desenlace tão cruel,
Mas não sei mais,
Se isso extinguiria o adeus.

Refrão:
Gbm Bm G A
Amar era tudo que eu queria,

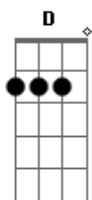

Gbm Bm G A
Fazer parte de todos os dias,
Gbm Bm G A
De todos seus sonhos, de cada poesia,
G A
Mas dei adeus,
G A D
Fui contra o meu amor.

Repete intro:

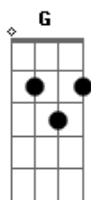

D G D
Se acreditasse no que eu sei,
G A
Talvez sentisse menos dor,
Bm Bm G
Ou talvez não,
Em A A7 D
Isso te magoaria de vez
