

Ronaldo Estevam - The Woods of My Mind

Tom: A

m [Intro] F Em F Em

In jump come to me
 A dance, a voice of a wolf
 A shield made for us!
 We see the long way
 And there are visions of wolves
 Watching the fairytales of crazy men!

I wanna go for all gold years
 There in my woods of my mind

[Solo] F G C Em7 Am Am F G Am

A sound, someone spoke
 For us, the voice told
 In the future would take a place to race of feelings

I wanna go for all gold years
 There in my woods of my mind

The shadow came for while
 That people wait somehow
 The wings of memories lifetime, by
 you

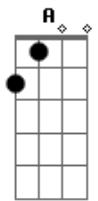

[Solo] F G C Em7 Am Am F G Am

In the darkness I'm waiting

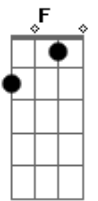

By princess of my dreams
 In my window I can see her
 All my future is in the woods of my mind

Lovely, cold, warm, clear
 Dark, soft, amazing!
 Lovely, cold, warm, clear
 Dark, soft, amazing!
