

Ronan Keating - When You Say Nothing At All

tom:

Intro: D G Gm D G Gm

Who knows what tomorrow brings
 In a world, few hearts survive
 All I know is the way I feel
 When it's real I keep it alive

The road is long
 There are mountains in your way
 But we climb a step every day

Love lift us up where we belong
 Where the eagles cry

On a mountain high
 Love lift us up where we belong

Far from the world below
 Up where the clear wind blows

Some hang on to "used to be"
 Live their lives, looking behind
 All we have is here and now

All our life, out there to find

The road is long
 There are mountains in your way
 But we climb a step every day

Love lift us up where we belong
 Where the eagles cry

On a mountain high
 Love lift us up where we belong
 Far from the world we know
 Up where the clear wind blows

Time goes by no time to cry
 Life's you and I Alive today

Love lift us up where we belong
 Where the eagles cry

On a mountain high
 Love lift us up where we belong
 Far from the world we know
 Up where the clear wind blows
