

Ronnie Cord - Oh!Carol

```
Tom: A
Oh! Carol
I am but a fool
darling I love you
though you treat me cruel
You hurt me
and you make me cry
but if you leave me
I will surely die
Darling, there will never be another
           Gbm
'cause I love you so
          Bm
don't ever leave me
say you'll never go
I will always want you for my sweet heart
      Gbm
no matter what you do
 Bm E
oh! Carol
```
