

Rony Barba e Mari Lu - Presságio

Tom: E

Intro: E Am E Am B7

E Dbm
Sempre quis dizer, mas muito tempo já passou

Então deixei pra lá

Acho que é tarde! Agora foi!

Se quer saber, na real

Já me esqueceu!

E quando foi?

E Dbm
Hoje tive um sonho em que você telefonou

Então fiquei grilada

E vi sua foto na estante

Que permanece igual

Você e eu

Nada mudou! Gbm

E C
Você mudou?

E
Acho tão desnecessário

B
Nunca houve nada sério

Gbm
Nenhum fato consumado

Am
Que me faça prosseguir!

E
Não existe um presságio

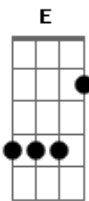

E B
Só revela o que eu quero

Gbm
Ter ao menos um contato

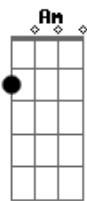

Am E Abm B
Que sua voz eu possa ouvir chamar! Chamar!
