Tom: E

m [Intro] Em C D G Em Am D Em E

C  
An avenue once bent in shadow  
D  
In a morning straight and hallow  
G  
You hold high a destination  
Em  
You sing to me of sweet revelation  
Am D  
I feel the quickening in my step  
Em E  
But I don't even touch the ground

C  
'Cause when I see double  
D G  
It's your lullaby love that keeps me from trouble  
Em C  
It's your lullaby love that's keeping me level  
D Em  
It's your lullaby love that keeps me awake

[Solo] Em C D G Em Am D Em E

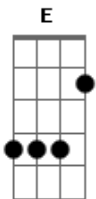

C

When this voice retires from talking  
D  
When these ears get tired of ringing  
G  
When my feet get bored of travelling  
Em  
And it looks like it's all unraveling  
Am D  
When this heart's too old for dreaming  
Em E  
That's when I hear the angels sing your lullaby

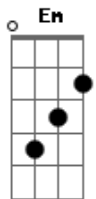

C  
'Cause when I see double  
D G  
It's your lullaby love that keeps me from trouble  
Em C  
It's your lullaby love that's keeping me level  
D Em  
It's your lullaby love that keeps me away

C  
'Cause when I see double  
D G  
It's your lullaby love that keeps me from trouble  
Em C  
It's your lullaby love that's keeping me level  
D Em  
It's your lullaby love that keeps me away
