

Roomie O - Numb

Bb tom:

Whatever happened to childhood
 Whatever happened to dreams
 Whatever happened to memories
 Whatever happened to me
 I was supposed to be better
 I was supposed to be true
 But I-I-I-I, I sold out too
 We said we'd make it together
 We said we'd never give up
 We gave each other forever
 But then we had to grow up
 We were supposed to be stronger
 We were supposed to be true
 But we-e-e-e, we gave up too
 We all go numb
 We all go numb
 We all go numb
 We all go numb
 Distract ourselves so we don't see what've become

We all go numb
 We all go numb
 We all go numb
 Compromise all you believe in, then you're numb
 Believe in nothing
 Whatever happened to true love
 The kind you feel when you're young
 When she was all you could think of
 I guess those feelings are gone
 My friends have started to settle
 Guess they just want to be two
 And I-I-I-I, I'll settle too
 But I-I-I-I, I still want you
 We all go numb
 We all go numb
 We all go numb
 Distract ourselves so we don't see what we've become
 We all go numb
 We all go numb
 We all go numb
 Compromise all you believe in, then you're numb
 Believe in nothing
