

Roosevelt Alves - Erros e Acertos

tom:

A

A

B

Sou labirinto a céu aberto, veja lá

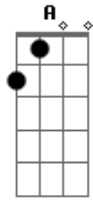

Quebra cabeça simples, comece a montar

A parte da imensidão que pode te levar, em fim

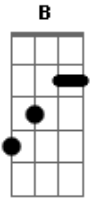

Guardando as palavras certas pra te fazer sorrir

És o misterioso grito da paixão

A voz suave que ecoa em meu coração

Daqueles erros e acertos que a gente um dia se esqueceu

Carrega vida do destino que é meu e teu

Ah, meu amor

Ah, meu amor

Se fosse fácil, só queria ter você a todo tempo aqui

Ah, meu amor

Eu só queria um abraço pra fazer você lembrar de mim
