

Roots Circus - There Is a Spell Over This City

tom: Dbm Db
 A They made the Sun rise once again
 Dbm And put the wolves back in their cages
 E I've been asleep for many days
 B Not wide awake for ever
 Db Seems like nothing can get through
 A This grey lid that they call heaven
 E Missing sunshine missing you
 B Feeling worn out bound and beaten
 Db All the snow makes me believe
 A A sunny morning in December
 E It's always been the way for me
 B For just as long as I remember
 Db And soon the city will awake
 A Send out an army of pretenders
 E I plead a dirty black machine
 B A race that will go on forever
 A Ah ah ah ah, ah ah ah ah ah
 E B Ah ah ah ah, ah ah ah ah ah 2x
 Db A There is a black cloud coming down
 E You know that this place smells of pity
 B Too many vultures in this town
 Db

There is a spell over this city
 A Too much violence on the streets
 E Only bad news in the paper
 B Smiling snakes are wealthy thieves
 Db Too many soldiers too much hatred
 A Ah ah ah ah, ah ah ah ah ah
 E B Ah ah ah ah, ah ah ah ah ah 2x
 Db A Now the wolves are out again
 E There's a shark close to these beaches
 B Dark and heavy falls the rain
 Db And all the souls are mute are speechless
 A So many things I'll never see
 E And all the truths they never told me
 B What is left for me to believe
 Db When the world and you is burning?
 A There is a bird trapped in my chest
 E And my restless bones are aching
 B I am a one track speeding train
 Db I am a mind ready to cave in
 A I am the centre of the earth
 E I am too fast and I'm too lazy
 B I cannot breathe for all this dirt
 Db But in the end you always save me
