To you I give, no matter what
(**A B C G F E**)
Everything you have
I want to be mine
No matter what
(**A B B A E A B**)
And this way I live happily
I have only changed the way I see
And this little has become a lot to me
I can't never forget, I can't
Where I came from and who I am
It's that I returned
I learned on the road the price that I paid
For everything not lived
Year... Year
Everything I have
To you I give, no matter what
(**A B C G F E**)
Everything you have
I want to be mine
No matter what
[Final] **E A Dbm A E A B**

E
You could give me a broad smile
And there is nothing else to add
Dbm **A**
Today I live without emptiness
Now everything has sense

E
If my patience far away goes
I can hear 'Stay a little longer'
Dbm **A**
The deep echo that your voice makes
E B A
Gives more reasons to be, so well

E B
Everything I have

Acordes

Ukulele chord diagrams for the following chords: **A**, **E**, **Dbm**, **B**, **D**, **C**, **G**, and **F**. Each diagram shows the fretting pattern on the four strings of the ukulele.
