

Rosalía - Llylm

tom:

Gbm

[Primeira Parte]

El que quiero, no me quiere
 Como quiero que me quiera
 Hoy termina la condena
 Me diviertes, maybe tú eres el que me libera

[Pré-Refrão]

Y es que hoy es carnaval
 Yo soy de aquí y tú eres de allá
 Lo diré en inglés y me entenderás, mmh

[Refrão]

I don?t need honesty
 Baby, lie like you love me, lie like you love me
 Cov?r me in a dream, I'll be yours, or fantasy
 Who needs th? honesty?
 Baby, lie like you love me, lie like you love me
 Maybe at the end, it becomes real enough for me
 N.c
 Oh, oh, oh, for me

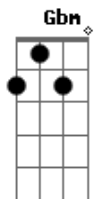

[Segunda Parte]

Llevo coco con canela
 Perfumada, escapemos, sé que quieres
 Vengo en moto, soy una mami
 Y si hay un día, hoy es ese día

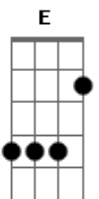

[Pré-Refrão]

Para ser y cambiar
 O no ser y disfrazar

Your angel, you're my vamp tonight

[Refrão]

I don?t need honesty
 Baby, lie like you love me, lie like you love me
 Cov?r me in a dream, I'll be yours, or fantasy
 Who needs th? honesty?
 Baby, lie like you love me, lie like you love me
 Maybe at the end, it becomes real enough for me

[Ponte]

Ay, dame esa, esa pulsera de flores
 Me la pondré en la muñeca
 Cuando despierte, así yo lo sabré
 Así yo lo sabré, yo sabré que fue real
 Será mi tótem, lo sabes tú y nadie más

[Refrão]

I don?t need honesty
 Baby, lie like you love me, lie like you love me
 Cov?r me in a dream, I'll be yours, or fantasy
 Who needs th? honesty?
 Baby, lie like you love me, lie like you love me
 Maybe at the end, it becomes real enough for me
 I don?t need honesty
 Baby, lie like you love me, lie like you love me
 Cov?r me in a dream, I'll be yours, or fantasy
 Who needs th? honesty?
 Baby, lie like you love me, lie like you love me
 Maybe at the end, it becomes real enough for me
 Oh, oh, oh, for me
