

Rosanne Rocha - Pressa

tom:

Intro: B A B A

Haverá um tempo pra plantar e colher... isso é real

Ao menos tenha consideração

Esperre enquanto eu olho as fotos do jornal

Não adianta correr. Tudo é em vão

Que a pressa não me impeça de te olhar

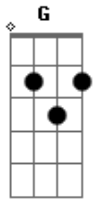

Pela última vez antes de viajar

0 tédio, num abraço, faz o tempo parar

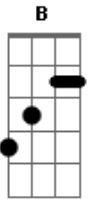

Se engana quem vê um minuto passar

[Final] D C G F
E D B A
