

Rose Murphy - Busy Line

tom:

[Primeira Parte]

I put a nickel in the telephone, dialed my baby's number
 Got a brrr, brrr, brrr,? busy line
 Each time?I tried I got a busy?tone, not my baby's number
 Just a brrr, brrr, brrr,? busy?line
 Called?his uncle in?Jamaica
 Left a message?with the baker
 Even checked the number in the telephone book
 Got so awfully, awfully worried

To my baby's house I hurried
 When I looked inside, the phone was off the hook

[Segunda Parte]

And as I walked up to my baby then
 I got my baby's number
 He was busy in the parlor doing fine
 Busy kissing someone else
 While I was keeping busy
 Getting a brrr, brrr, brrr, busy line

Acordes
