Rose - Dance All Night
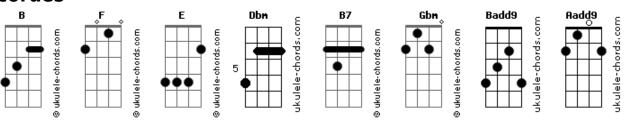

```
                    tom:
                     F (forma dos acordes no tom de E )
Capostraste na 1ª casa

        E
Got out of my bed today
              Badd9              Dbm
The sunlight was hitting my face

And two little birds came and sat on the edge

And they ask if I'm doing okay
          Aadd9
And we talked for a while, sat for a while

And one of them asked me if there's
              E
 Anything I would change
                          B7
And I didn't know what to say

But I

E             Badd9        Dbm
I would dance all night
               Gbm          Aadd9    Badd9
Not care about the heartache in my life
        E          B.   Dbm
Oh, and I would not obsess
                 Gbm        Aadd9       Badd9
Over all the little things I don't regret
              E       Badd9   Dbm
I'd dance all night, night
              Gbm   Aadd9   Badd9
I'd dance all night, night

   E    Badd9 Dbm          Gbm    Aadd9 Badd9
Oh, and I, I'd dance all night (night)
              E   Badd9
Dance all night

E
I wouldn't be so in my head
                    B.    Dbm
Three words every chance that I get

Be spontaneous and better with trust

And say things that I should've said
Aadd9
I would let my feelings lead me
                                E
```

```
Let you be the one to hold me now
                              B7
And maybe this time you could stay

'Cause I

E             Badd9   Dbm
I would dance all night
                Gbm        Aadd9   Badd9
Not care about the heartache in my life
        E          Badd9  Dbm
Oh, and I would not obsess
               Gbm            Aadd9     Badd9
Over all the little things I don't regret
              E   Badd9  Dbm
I'd dance all night, night
             Gbm    Aadd9 Badd9
I'd dance all night, night
              E                    Badd9
Oh, and I, I'd dance all night, night

E
Dance all night
                        Badd9
I'll be there for you tomorrow
         Dbm
You can dry your eyes
We'll laugh away the sorrow
            Gbm
When the morning comes
                                    Aadd9
Just promise me you'll stay forever young
         Badd9
Forever young

    E             Badd9   Dbm
I would dance all night
                Gbm        Aadd9   Badd9
Not care about the heartache in my life
        E          Badd9  Dbm
Oh, and I would not obsess
               Gbm            Aadd9     Badd9
Over all the little things I don't regret
              E   Badd9  Dbm
I'd dance all night, night
             Gbm    Aadd9 Badd9
I'd dance all night, night
              E                    Badd9
Oh, and I, I'd dance all night, night

Dance all night
```
