

# Rose - Stay a Little Longer

tom:

Db (forma dos acordes no tom de B)

Capostrate na 2ª casa

Intro: G Bm Em C

[Primeira Parte]

G Bm  
Stay a little longer, take a little longer  
Em C  
To pack up your bags, you're movin' too fast  
G Bm  
Make me wanna hate you, so I don't have to miss you  
Em C  
Oh, make a mistake, so someone's to blame

[Pré-coro]

Em D C  
I can't stand this four walls without you inside them  
G Bm C  
Build us a castle, then leave me in silence  
Em D C  
What if I tangled some rope 'round your feet  
G Bm C  
Into the ocean? 'Cause I'm in too deep

[Refrão]

G Bm Em C  
Please, won't you stay, stay a little longer, babe?  
G Bm Em C  
Don't walk away when I'm here callin' your name  
G Bm  
I'm fragile, I'm speechless, don't leave me in pieces  
Em C  
Already havin' enough trouble breathin'  
G Bm Em C  
Please, won't you stay, stay a little longer, babe?

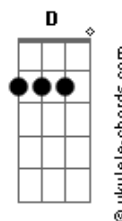

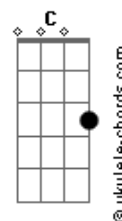

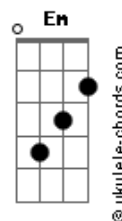

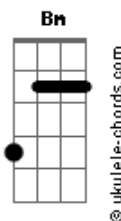

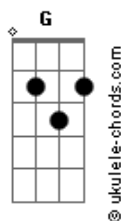

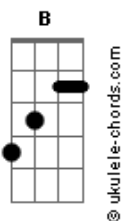

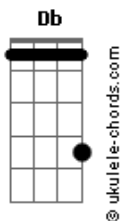

[Segunda Parte]

G Bm  
Walk a little slower, stand a little closer  
Em C  
So I can convince you the minute I kiss you  
G Bm  
Speak a little softer, so I don't have to answer  
Em C  
And make it okay before you can say

[Pré-coro]

Em D C
