

# Rose - Toxic Till The End

tom:

Intro: C D G Em

[Primeira Parte]

Call us what we are, toxic from the start  
 Can't pretend that I was in the dark  
 When you met my friends, didn't even try with them  
 I should've known right then

[Pré-Refrão]

That you were jealous and possessive  
 So manipulatin'  
 Honestly, impressive  
 You had me participatin'

[Refrão]

Back then, when I was runnin' out of your place  
 I said, "I never wanna see your face"  
 I meant I couldn't wait to see it again  
 We were toxic till the end  
 Uh-huh, 'cause even when I said it was over  
 You heard, "Baby, can you pull me in clos?r?"  
 You were plotting how to stay in my head  
 W? were toxic till the end

[Interlude]

Ladies and gentlemen  
 I present to you  
 The ex

[Segunda Parte]

His favorite game is chess, who would ever guess?  
 Playing with the pieces in my chest  
 Now he's on the screen and saying, "Don't leave"

## Acordes

You stole that line from me

[Pré-Refrão]

'Cause you're just jealous and possessive  
 So manipulatin'  
 Honestly, impressive  
 You had me participatin'

[Refrão]

Back then, when I was runnin' out of your place  
 I said, "I never wanna see your face"  
 I meant I couldn't wait to see it again  
 We were toxic till the end  
 Uh-huh, 'cause even when I said it was over  
 You heard, "Baby, can you pull me in clos?r?"  
 You were plotting how to stay in my head  
 W? were toxic till the end, end, end

[Ponte]

I can forgive you for a lot of things  
 For not giving me back my Tiffany rings  
 I'll never forgive you for one thing, my dear  
 You wasted my prettiest years

[Refrão]
