

Ross Lynch - Stuck On You

Tom: B

(com acordes na forma de G)

Capostrate na 4ª casa

Ooh... Ooh... Ooh... yeah

Okay maybe I'm shy

But usually I speak my mind

But by your side, I'm tongue tied

Sweaty palms, I turn red

You think I have no confidence

But I do, just not with you

Now... I'm singing all the words I'm scared to say

Yeah...

So forgive me

If I'm doing this all wrong

I'm trying my best in this song is to tell you

What can I do?

I'm stuck on you

I'm hoping you feel what I do

Cause I told Mom about you, I told her

What can I do?

I'm stuck on you

And like the night sticks to the moon...

Girl... I'm stuck on you

Ooh... Ooh... Ooh... Yeah...

Look at me, perfectionist

Yeah I'm a workaholic

But on my phone, I feel at home

I don't like rules

But make my bed

Floss to keep my teeth perfect

Yeah it's true, I got issues

So... I'm singing all the words I'm scared to say

Yeah...

So forgive me.

If I'm doing this all wrong

I'm trying my best in this song is to tell you

What can I do?

I'm stuck on you

I'm hoping you feel what I do

Cause I told Mom about you, I told her

What can I do?

I'm stuck on you

And like the night sticks to the moon...

Girl... I'm stuck on you

Ooh... Ooh... Ooh... Yeah...

I'm stuck on you
