tom:

Intro: C D Em Bm

Wish I could start it over
 Baby I need you over
 Wish I could taste, kiss you down by your waist
 He treats you wrong
 Wish I could show you love
 Wish I could make you know it
 Baby, you need to know it

Where do you go every time I touch you there?
 Whispering love, ain't nobody gotta hear
 He lost control, does he even know you here
 Nobody knows, I just keep it in my head

I don't say too much
 (Baby, baby, yeah)
 I?m just here to touch
 (Baby, baby, yeah) Baby
 I don't say too much
 (Baby, baby, yeah)
 I?m just here to touch
 (Baby, baby, yeah) Baby

I?m just here to touch
 (Ah na-na-na na na)
 (Ah na-na-na na na)
 Here to touch
 (Ah na na na na na)
 Baby
 I?m just here to touch
 (Ah na-na-na darling)
 (Ah na-na-na na na)
 Here to touch
 (Ah na-na-na na na) Baby
