Sábado eu vou à festa, vou levar meu violão

Vou cantando uma canção que eu decorei

Sábado eu vou à festa numa nuvem de algodão

E entre estre__las vou abrir meu coração

E vou encher de vagalumes teus cabelos

Respirar o ar do céu vou

Eu quero o céu e vou com guizos nos sapatos

Minha roupa em farrapos

Coloridos vou rasgar

E vou dançar entre os cristais

Azuis do tempo e esquecer

A terra longe, longe, longe a se perder

Sábado eu vou

Sábado eu vou

Sábado eu vou

Sábado eu vou

Sábado eu vou

Sábado eu vou

Anda, vem jantar, vem comer, vem beber

Farrear até chegar, lumiar

E depois deitar no sereno

Só pra poder dormir e sonhar

Pra passar a noite caçando sapo, contando caso

De como deve ser lumiar

Acordar, lumiar, sem chorar, sem falar

Sem querer acordar em lumiar

Levantar e fazer café

Só pra sair, caçar e pescar

Acordes

E passar o dia moendo cana, caçando lua

Clarear de vez, lumiar

Maria, Maria é um dom, uma certa magia

Uma força que nos a__ler__ta

Uma mulher que merece viver e amar

Como outra qualquer do planeta

Maria, Maria é o som, é a cor, é o suor

É a dose mais forte e len__ta

De uma gente que ri quando deve chorar

E não vive, apenas aguenta

Mas é preciso ter força, é preciso ter raça

É preciso ter ga__na sem__pre

Quem traz no corpo a marca

Maria, Maria mistura a dor e a alegria

Mas é preciso ter manha, é preciso ter raça

É preciso ter ga__na sem__pre

Quem traz no corpo a marca possui

A estranha mania de ter fé na vida

Arre, arre, arre, arre, arre, arre, re re re
