

Roxette - Almost Unreal

Tom: B

B B
Babe, come in from that cold
and put that coat to rest
step inside, take a deep breath
and do what you do best

B B
Yeah, kick off them shoes
and leave those city streets

I do believe
love came our way
fate did arrange
for us to meet

I love when you do
that "hocus phocus" to me
the way that you touch
you got the power to heal
you give me that look
it's almost unreal
it's almost unreal

B B
Hey, we can't stop the rain
let's find a place by the fire
sometimes I feel
strange as it seems
you've been in my dreams

B
all my life
