

# Roxette - Almost Unreal

Tom: B

B B  
Babe, come in from that cold  
and put that coat to rest  
step inside, take a deep breath  
and do what you do best

B B  
Yeah, kick off them shoes  
and leave those city streets

I do believe  
love came our way  
fate did arrange  
for us to meet

I love when you do  
that "hocus phocus" to me  
the way that you touch  
you got the power to heal  
you give me that look  
it's almost unreal  
it's almost unreal

B B  
Hey, we can't stop the rain  
let's find a place by the fire  
sometimes I feel  
strange as it seems  
you've been in my dreams

B  
all my life  
E  
I love when you do

that "hocus phocus" to me

are in good hands tonight
