

Roxette - Bla Bla Bla (You Broke My Heart)

Tom: C

You promised me it would last forever
 You said there's no way it could die
 Everything you ever told me was a bunch of lies
 Hey mom I'm back to the outside
 You know that's not where I belong, No !
 Every truth everything I believed in
 Has turned out wrong

It's all bla bla bla bla
 You broke my heart so many times
 A lot of bla bla bla bla
 You broke my heart

It's so clear when you scratch on the surface
 Goin deeper deeper down
 All I wanted was to make you happy

But baby what's that sound?

Well baby what's that sound?
 Hey it's all bla bla bla bla
 You broke my heart so many times
 A lot of bla bla bla bla
 You broke my heart
 You broke my heart

All you ever cared for was to make you stronger
 No one I have known has looked so weak
 Ooh yeaah na na na na
 It's all bla bla bla bla
 You broke my heart so many times
 A lot of bla bla bla bla
 A lot of bla bla bla bla bla you broke my heart
 A lot of bla bla bla bla bla you broke my heart

You broke my heart, you broke my heart
 You broke my heart,
 You broke my heart, so many times
