

Roxette - Crazy About You

Tom: D

Intr: D A G A

I'm crazy about you (I give you all my love).

Yes I'm crazy about you (Night and day, day and night - I'll be your heart's salvation)

Hey baby let's stay together, let's make it now and forever.

I want to show it and shout it and tell the whole world about it

I thought it never could happen. I thought you never would see me.

You run a lovin' locomotive. You make my needs very primitive

The more I get, the more I want from you of your affection.

When you're around I'm in control, I feel a complete connection

Hello, Hello, I'm so crazy about you, you know, baby.

Hello, Hello, Hello, Yes I'm crazy, so crazy 'bout you

D

C'mon close your eyes honey, trust me.

I want to enjoy your body, I want to take you much higher

and play the game of desire Well, I can't hide. I'm getting hungry for a bite.

I'm blinded by this obsession. I keep dancin' like your possession

I'll wrap my legs all around you. I'll show you total devotion.

No need to talk, love will speak to you with sweet emotions.

Hello, Hello, I'm so crazy about you, you know, baby.

Hello, Hello, Hello, Yes I'm crazy, so crazy 'bout you

Solo: Bm A D A (2x) Crazy about you...

Hello, Hello, I'm crazy about you, you know, baby.

Hello, Hello, Hello, Yes I'm crazy, so crazy 'bout you

I'm crazy 'bout you.

(I give you all my love)...(I'll be your heart's salvation)...
