

# Roxette - Dance Away

Tom: F

(Words by Per Gessle. Music by Per Gessle & Marie Fredriksson)

G  
 There's a hidden meaning in everything he says,  
G every close encounter, every kiss, every caress.  
G Even the truth has got that bitter taste of a lie.  
F Well, I can read his lips now C but I can't read his G mind.

Em7 I can see him dance away now oh oh C2 - oh oh oh. D

He was one of the kind that seems so hard to find.  
 There's a change of weather, now he leaves me far behind.  
 That I don't matter to him came as such a surprise.  
 Well, I can read his lips, I thought I read his eyes.

And I can see him...

Solo: Bb F C (4x) Em C2 D (2x)

Gm7 I can see him dance away now oh oh Eb - oh oh oh... F
