Intro:

I once new a girl I can't remember her name  
But I remember her face cos her sister looked the same.

They both left school, but they couldn't find a job  
So they said farewell and stole a small town car.

C Bbm G  
As they were riding by the beach some summer night

the radio shouted out one of those songs that might just  
change your life

It went like this:

D G A  
"Checkin' in checkin' out  
D G A D Bm  
Making love I like watching all your fireworks  
G A E  
I like it when I light those stars in your eyes  
G C D  
Just like fireworks in the sky"

Yes it did.

Throwing some poems to the ports and docks  
They were sleeping outdoors puching all their luck D C G

They sent me a letter full of pills and thrills  
Then they both got rich and moved to Hollywood Hills. D C

of art:
