

# Roxette - Fool

Tom: C

(Words & music by Per Gessle)

I was alone. I told my mouth to shut up.  
C Bb F C Bb F C

Cos I was talking to myself like I always do when I'm stuck.  
Bb F C Bb F C Bb F C

Well, I was crying. You could be crying too.  
C Bb F C Bb F C Bb F C

I was screaming through the window I keep missing you.  
Eb F Ab F C Bb F C

And the tears came down from the sky.  
Ab F C Bb F C

And the rain fell hard on my eyes.  
C Bb F C Bb F C

Now you know what I look like. I'm feeling like a fool.  
C Bb F C Bb F C

I lose on my own, I'm going back to school.  
C Bb F C Bb F C

And I will pray, hallelujah, you'll be breaking every rule.  
C Bb F C Bb F C

And come back to stay. I'm feeling like a fool.

I really tried so hard to design my life.  
 There's a big black void in my head like it's been cut by a knife.  
 Every time your name comes around. This stupidity follows me down. Yeah, yeah, yeah...

Now you know what I look like. I'm feeling like a fool.  
C Bb F C Bb F C

I thought I could swim. I'm drowning in the pool.  
C Bb F C Bb F C

And I will pray, hallelujah, you'll be breaking every rule.  
C Bb F C Bb F C

And consider to stay. I'm feeling like a fool.  
C Bb F C Bb F C

Please, come back to stay. I'm feeling like a fool.  
G Dm G Dm G Dm

....I feel like a fool in my heart...I feel like a fool in my heart... I feel like a fool.  
C Bb F C Bb F...

Now you what I look like...
