

Roxette - Happy On The Outside

Tom: G

Intro: 2x: F C Am F G Am

You can watch her doin' the rounds

She's there for everyone

Throwin' kisses, makin' plans

For midnight men, mornin' sons

Well, did the wine make her dance?

No, she's always been the star

She's got that riddle in her smile

But a burden in her heart

She's so happy on the outside

But she's cryin' on the inside

And there's nothin' I can do To make her glad

So happy on the outside

Hurtin' on the inside

And it's sad so sad Baby, it's so sad

Solo: F C Am F G Am

Hey, did the wine make her dance?

No, she's always been a star

So be prepared to fall in love

Though her heart hides the scars

She's so happy on the outside

Hurtin' on the inside

It's such a sad sad sight Such a sad sad sight
