

# Roxette - I Don't Want To Get Hurt

Tom: C

Am F G  
 In everything I see you appear with me, how come? How come?  
 Am F G  
 And everything I do involves you too. We are like one.

Pre-chorus:

F Dm C G  
 In my life there has been so many changes  
 F Dm C Bb  
 and I don't want to be left out in the rain

Chorus:

I don't want to get hurt,  
 I've done my time.  
 All I want from you is to tell the truth.  
 I don't want to get hurt no more this time.  
 I don't want to go blind and find it's falling apart all the time

In the middle of a dream you are there for me, your face, your lips.  
 But there's no way you can tell cos I hide it really well, so well.

Pre-chorus:

In my life there has been loving and lying  
 And I don't need another reason to cry

Chorus

F Eb / Dm F C G Dm F C D  
 I don't want to get hurt,  
 I've done my time.  
 All I want from you is to tell the truth.  
 I don't want to get hurt no more this time.  
 I don't want to go blind and find it's falling apart all the time  
 (Bm D G A ) 4x - Bm  
 One More Time
