

# Roxette - Lies

Tom: G  
Intro: A C D (4x)

Verse 1:

Put 'em on, put them big boots on,  
baby put them big boots on.  
Make your mark, make a good kick start,  
kick yourself right out of my heart.  
It's a cookin, jumpin, jivin shout,  
'cause you're every little thing I can do without.  
Every line you lay, every trick you trade,  
It could never ever make the grade.

Chorus:

Lies, lalalalalies It's all lies, lalalalalies

You're all lies. (only lies)

Verse 2:

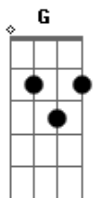

Honeybut, keep your big mouth shut,  
baby keep that big mouth shut.  
It's a steamin, jumpin, jivin shout,  
'cause you're every little thing I still dream about.  
Every love you lay, every prayer you pray,  
It will never ever make my day.

Chorus:

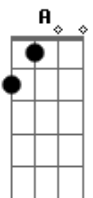

Lies, lalalalalies It's all lies, lalalalalies  
(only lies)

You're all lies. (2x)
