

Roxette - Make My Head Go Pop

Tom: F

(Words & music by Per Gessle)

I don't know much about you
 but I'm pretty sure I wanna be with you.
 I haven't got a clue
 what is wrong what is right what is left to do.
 I read a magazine. I watch a TV-screen.
 I dive into a dream. Only to find me in love with you.
 I wish you'll never stop. To make my head go pop.
 You make my head go pop pop pop pop pop pop.
 Every time you're around.
 It's a pleasant valley Sunday
 and everything seems to be beautiful.
 People go to church but I'm found
 contemplating by the swimming pool.
 I'm gazing at the sun. I watch him bringing joy to everyone.
 I feed the ducks with a bun. Only to find me in love with
 you.

A G D A

I wish you'll never stop. To make my head go pop.
 You make my head go pop pop pop pop pop pop.

You make my head go pop pop p-pop pop pop pop.
 Every time you're around.

Press to play and never stop.
 To make my head go pop.

Yea, you make my head go pop pop pop pop pop pop.
 Every time you're around.

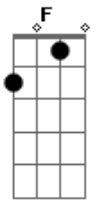

Make my head go pop pop pop.
 Make my head go pop pop. Go pop pop...

I feed the ducks with a bun.
 Only to find me in love with you.

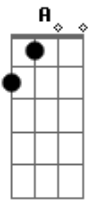

I wish you'll never stop...

You make my head go pop
 You make my head go pop
 You make my head go pop pop p-pop pop pop
 You make my head go pop
