^D
To every day there's a history
To every love that's lost there is tragedy ^C
I saved a vision of you in my head ^D
Watched a new universe being born, raised and bred ^C
In the calm of my bed ^G

Some might say it's over now I don't believe them ^{Dm Bb C}
If I only got to you I'd prove I'm right ^{Dm Bb C}

Only when I dream I hear you, I'm near you ^{Em C}
I hold you close to me ^{Am B}
Only when I dream I touch you and I breathe you ^{Em C}
I feel you deep inside me ^{Am B}

Things were never easy for me ^D
In the temple we built to stay sacred and free ^C
I came lookin' for more self esteem ^D
All I found was your voice
On the answering machine Simple and clean ^{C G}

Some might say it's too far gone I don't believe them ^{Dm Bb C}
