Bm A G  
Baby, sometimes I feel like dying  
G A Bm  
Driving while I'm closing my eyes  
Bm A G  
Moving in and out of hiding  
G A Bm  
Trying to catch some truth in my life  
Em D C  
watching your stars and your moonlight  
Em D C  
come tumbling down from the sky...

Take it now.

Chorus:

G C  
I'm gonna run to you  
E D  
I'm gonna come to you  
G C  
I wanna find you

In everything that I do  
G C  
I'm gonna run to you  
E D  
I'm gonna count on you  
G C  
I'm gonna follow  
G D Bm  
Baby what else can I do?

Second verse (same chords as first):

Sunday morning my town is sleeping,  
lying all alone in my bed.  
There's not a sound, I can't help but listening,  
wishing I was somewhere else instead  
but sometimes they're too hard to handle,  
those voices inside my head...  
Listen now.

A G D  
Take a walk inside my dream: a church, a lonely road.  
A D A  
All the people come and go and come and go.
