

Roxette - Shadow Of A Doubt

Tom: A

Gbm E D Dbm7 Gbm
 I heard your heart, you held it close to me.
Cm The wild embrace, the silent sea,
Cm a whisper of imagery for Lovers Supreme.
Gbm E D Dbm7
 But now I'm lost in the crowd,
Gbm E
 no shadow of a doubt
D Dbm7
 it's all over now,

Gbm
 no shadow of a doubt.
 You changed the dream. You changed the scenery,
 the tender touch, the urge to breathe,
 there under a lovelit sun what's lost could be found.
 But now, no trace of a sound...
Abm Gb E Ebm7
 But now, no trace of a sound,
Abm Gb
 no shadow of a doubt.
E Ebm7
 I'm faraway bound.
 No shadow of a doubt.
