

Roxette - The Rain

Tom: C

all the time, all the time.

Basically...
 For the intro and verses just play C and G
 Its a little more complicated than that but
 not much.

Solo break:

I was raised the northern way
 and my farther had a northern name,
 I did my crying out in the pouring rain.
 And a season turned into another one,
 I found a heart bright like the morning sun.
 He touched my lips, so softly,
 with his fingertips.

I've kept the rain falling down on me
 all the time, all the time.

I've kept the rain falling down on me
 all the time, all the time.

I've kept the rain falling down on me
 all the time, all the time.

I've kept the rain falling down on me
 all the time, all the time.
