

# Roxette - Turning Away

Tom: G

It's no sin that somehow  
 Light is coming from the shadow, And turning away from all we have known  
 Unaware of how much we can grow, And you don't have to be stoned,  
 I know that I am not alone in the dream of the proud  
 On the wings of the night  
 When the daytime is coming, And the sober unite in a  
 sober accord, Doing these drunks will find are strange,  
 mesmerized as We light  
 the flame, We can feel the new wind of change on the wings of the night

VERSE:  
 No more turning away, from the weak and the weary,  
 Let's stop turning away, from the coldness inside  
 No more turning away, from the meek and the mild  
 Let's stop turning away, from the evilness inside  
 Just a world that we all must share It's not enough just to stand and stare  
 It is my biggest dream that there'll be no more turning away
