

# Roxette - Wish I Could Fly

Tom: Bb  
Intro: - Gm Bb C (2x)

Halfway through the night  
I wake up in a dream.  
Echoes in my head  
make every whisper turn into a scream  
I dreamed I could fly out in the blue  
Over this town followin' you.  
Over the trees, subways and cars.  
I'd try to find out who you really are.  
In the middle of the night  
cool, sweatin' in my bed.  
Got the windows open wide  
thinkin' about all the things you said.  
I wish I could fly out in the blue.  
Over this town followin' you.

I'd fly over rooftops, the great boulevards.  
To try to find out who you really are.  
Who you really are  
I wish I could fly now  
wish I could fly now  
Wish i could fly now  
REPETE INTRO - Gm Bb C (2x)  
I wish I could fly around and around  
Over this town the dirt on the ground.  
I'd follow your course of doors left ajar.  
To try to find out who you really are  
who you really are..  
wish i could fly...  
I...
