

Roxette - You Can't Put Your Arms Around What's Already Gone

Tom: D

I saw red, stayed at home
 Placed a big pillow over the phone
 In this town where I'm from
 I've learned two is so much better than one

But you left me alone
 You can't put your arms around what's already gone
 Watch you sink like a stone
 You can't put your arms around what's already gone

Well, you hurt to the core
 You used to kiss like no one had done before
 And your taste turned me on
 Now you drive me real crazy just by being born
 Cos you left (left left left) me alone (left me alone)
 And you can't put your arms around what's already gone
 Watch you sink like a stone
 You can't put your arms around what's already gone

Baba b-baba b-baba ba
 Baba b-baba b-baba ba

Took the tram 'round the bay
 Where everyone tells you to have a nice day
 And my pride almost broke
 When the tears don't fit you, you look like a joke
 And you left (left left left) me alone (left me alone)
 You can't put your arms around what's already gone
 Cryin' eyes gettin' worn
 You can't put your arms around what's already gone
 Hey, you left (left left left) me alone (left me alone)
 You can't put your arms around what's already gone
 Watch you sink like a stone
 You can't put your arms around what's already gone

Baba b-baba b-baba ba
 Baba b-baba b-baba ba
 Baba b-baba b-baba ba
 Baba b-baba b-baba ba
 Baba b-baba b-baba ba
