

# Roxette - You Can't Put Your Arms Around What's Already Gone

Tom: D

I saw red, stayed at home  
 Placed a big pillow over the phone  
 In this town where I'm from  
 I've learned two is so much better than one

But you left me alone  
 You can't put your arms around what's already gone  
 Watch you sink like a stone  
 You can't put your arms around what's already gone

Well, you hurt to the core  
 You used to kiss like no one had done before  
 And your taste turned me on  
 Now you drive me real crazy just by being born  
 Cos you left (left left left) me alone (left me alone)  
 And you can't put your arms around what's already gone  
 Watch you sink like a stone  
 You can't put your arms around what's already gone

Took the tram 'round the bay  
 Where everyone tells you to have a nice day  
 And my pride almost broke  
 When the tears don't fit you, you look like a joke  
 And you left (left left left) me alone (left me alone)  
 You can't put your arms around what's already gone  
 Cryin' eyes gettin' worn  
 You can't put your arms around what's already gone  
 Hey, you left (left left left) me alone (left me alone)  
 You can't put your arms around what's already gone  
 Watch you sink like a stone  
 You can't put your arms around what's already gone
