

Roxette - You Don't Understand Me

tom:

Intro: Dm C F C Bb

[Primeira Parte]

I've been up all night
 You've been putting up a fight
 Seems like nothin' I say gets through
 How did this old bed fit a world between me and you
 We said 'goodnight' but the silence was so thick
 You could cut it with a knife
 We've hit the wall again and there's nothin' I can do

[Segunda Parte]

You're the one, yea
 I've put all my trust in your hands
 C'mon and look in my eyes
 Here I am, here I am

[Refrão]

You don't understand me, my baby
 You don't seem to know that I need you so much
 You don't understand me, my feelings
 The reason I'm breathin', my love

[Terceira Parte]

The mornin' comes and you're reachin' out for me
 Just like everything's the same
 And I let myself believe things are gonna change

When you kiss my mouth and you hold my body close
 Do you wonder who's inside?

Maybe there's no way we could feel each other's pain

[Segunda Parte]

Tell me why it gets harder, to know where I stand
 I guess loneliness found a new friend, here I am

[Refrão]

You don't understand me, my baby
 You don't seem to know that I need you so much
 You don't understand me, my feelings
 The reason I'm breathin', my love

You don't understand me
 (You don't understand me)

You don't understand me, my baby
 You don't seem to know that I need you so much
 You don't understand me, my feelings
 The reason I'm breathin', my love

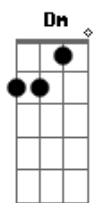

Ohhh, you don't seem to get me, my baby
 You don't really see that I live for your touch
 You don't understand me
 My dreams or the things I believe in my love

You don't understand me

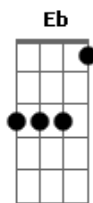

You don't understand me, no no

Understand me
