

Roy Orbison - Born To Love Me

Tom: G

Not many'd say she's pretty 'cause they don't realize
 that beauty is often hidden from anothers eyes

But in a quiet moment her beauty starts to shine
 and every night I'm thankful that she's mine
 oh-oh that she is mine

Chorus:

And she was born to love me in her gentle way
 born to love me each and everyday

Born to love me born to hold me tight
 born to love me everynight, everynight

I've learned it doesn't matter what other people see
 it's what I feel for her and what she feels for me
 She's made my life worth living because she understood
 that love is made for giving, she's so good
 oh-oh she's so good

Chorus 2X and fade

Acordes
