

# Roy Orbison - Born To Love Me

Tom: G

<sup>G</sup>  
 Not many'd say she's pretty 'cause they don't realize  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
 that beauty is often hidden from another's eyes

But in a quiet moment her beauty starts to shine  
<sup>D</sup> <sup>C</sup>  
 and every night I'm thankful that she's mine  
<sup>G</sup>  
 oh-oh that she is mine

Chorus:

<sup>G</sup> <sup>C</sup>

And she was born to love me in her gentle way  
<sup>D</sup> <sup>C</sup> <sup>G</sup>  
 born to love me each and everyday

Born to love me born to hold me tight  
<sup>D</sup> <sup>C</sup> <sup>D</sup> <sup>G</sup>  
 born to love me everynight, everynight

I've learned it doesn't matter what other people see  
 it's what I feel for her and what she feels for me  
 She's made my life worth living because she understood  
 that love is made for giving, she's so good  
 oh-oh she's so good

Chorus 2X and fade
