

Roy Orbison - Crying

Tom: D
Intro: D

I was all right for a while
I could smile for a while
Then I saw you last night

You held my hand so tight
When you stopped to say "hello"

You wished me well
You couldn't tell

That I've been crying over you,
(Crying over you)

Then you said "so long"

Left me standing all alone,

Alone and crying, crying, crying, crying

It's hard to understand

But the touch of your hand
Can start me crying

I thought that I was over you
But it's true, so true
I love you even more

Than I did before

But darling, what can I do?

For you don't love me

And I'll always be

Crying over you, Crying over you

Yes now you're gone

And from this moment on,

I'll be crying, crying, crying, crying

I,m crying, crying,

Ooover you.....
