

# Roy Orbison - I Drove All Night

Tom: F  
 | C | Bb | F |

I had to escape  
 The city was sticky and cruel  
 Maybe I should have called you first  
 But I was dying to get to you  
 I was dreaming while I drove  
 The long straight road ahead  
 Uh-huh, yeah  
 Could taste your sweet kisses, your arms open wide  
 This fever for you was just burning me up inside

Chorus:  
 I drove all night to get to you

Is that all right?  
 I drove all night, crept in your room  
 Woke you from your sleep to make love to you  
 Is that all right?  
 I drove all night

(Verse :)  
 What in this world keeps us from falling apart?  
 No matter where I go  
 I hear the beating of our one heart  
 I think about you when the night is cold and dark  
 Uh-huh, yeah  
 No one can move me the way that you do  
 Nothing erases this feeling between me and you

(Chorus)  
 Could taste your sweet kisses, your arms open wide  
 This fever for you was just burning me up inside  
 (Chorus)
