

Roy Orbison - I Drove All Night

Tom: F
 | C | Bb | F |

I had to escape
 The city was sticky and cruel
 Maybe I should have called you first
 But I was dying to get to you
 I was dreaming while I drove
 The long straight road ahead
 Uh-huh, yeah
 Could taste your sweet kisses, your arms open wide
 This fever for you was just burning me up inside

Chorus:
 I drove all night to get to you

Is that all right?
 I drove all night, crept in your room
 Woke you from your sleep to make love to you
 Is that all right?
 I drove all night

(Verse :)
 What in this world keeps us from falling apart?
 No matter where I go
 I hear the beating of our one heart
 I think about you when the night is cold and dark
 Uh-huh, yeah
 No one can move me the way that you do
 Nothing erases this feeling between me and you

(Chorus)
 Could taste your sweet kisses, your arms open wide
 This fever for you was just burning me up inside
 (Chorus)

Acordes
