

Roy Orbison - Let's Make A Memory

Tom: G

^G
Come a little closer don't you tell me "no sir"
^D ^G
Let's make a memory
Come on and give me your kiss now what are you gonna miss now
^D ^G ^D
Let's make a memory, a memory
^G ^D ^G ^C
Let's make a memory
^G
Make a memory

^{G7} ^C
Yes let's make a memory together
^A ^D ^{D7}
One that will last and last forever

Sweet baby Baby hold me tight then Squeeze with all your might then
Let's make a memory
Come on now Just have a little fun for What do you think we're young for?
Let's make a memory
Make a memory

Yes let's make a memory together
One that will last and last forever
Come on now Let yourself let go now Don't let love grow cold now
Let's make a memory

Sweet baby Forget about the past now We've got a love that'll last for
Now and forever we will be
Making memories....
