

Roy Orbison - Loving Touch

Tom: F

C
 You've got the loving touch that I need so much
Bb **F** **C**
 You've got the loving touch that I need so much
Dm
 No matter how I try your love I couldn't buy
Bb **F** **C**
 Cause I need so much of your love
F **C**
 I've got the world at my fingers and it stands at my feet
Dm **Am**
 I can fly to the moon or I can sleep in the street
Dm **G** **C7**

There's nothing in this world I couldn't do-o-o

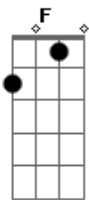

I get all that I want just by the wave of a hand
 There's nothing on earth that won't obey my command
 And now I find that all I need is you

Repeat Chorus

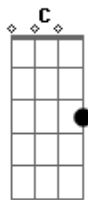

Dm **Db** **C** **B**
 I could give the world for you to hold and you know I could
Dm **Db** **C** **B**
 Everything I'd touch would turn to gold and you know it would
Gm **C7**
 But I need something else that's only yours for the giving
Gm **C**
 I need something else to make my life worth living

Repeat Chorus 2 times
